VOL. VI. NO. 57.

CHICAGO, THURSDAY, MARCH 8, 1900.

PRICE, 5 CENTS

NASHVILLE ENTRIES.

The three stakes offered by the Tennessee Breeders' Association filled in a way that must be pleasing to Nashville admirers of racing and to the officials of the club. There is in the lists printed below the strongest possible guarantee of fine racing at the coming spring meeting. Cumberland Park has a fast, safe track and there is no reason why Nashville should not regain its former importance as a racing point if local interest can be aroused to the point of giving the loyal support Memphis annually awards its jockey club. Such entries as are here published should go far in the direction of bringing about such a desirable condition. The entries are as follows:

HORSES AT LITTLE ROCK.

According to the following special from Little Rock to the St. Louis Republic phenomenon may be expected from there, and Dramburg is a marvelously improved horse. The special said:

"Two good workouts, one of which may be considered sensational and the other very important, have occurred at Clinton Park. One was that of Paul Miles' two-year-old brown gelding, Tennie, and the other that of Dramburg, the splendid colt being trained by Ed Headley.

"Tennie is a rather ordinary looking youngster by St. Florian—Not Much, but his work Saturday morning has opened the eyes of other trainers, who have two-year-olds of their own who are likely to buck up against him when the races begin.

"After a warming up Tennie was cut loose for three-eighths of a mile, and the pace he set caused some of the timers to think that their watches had stopped. He made his three furlongs, according to at least three or four watches, in 35½, which is believed to be the fastest work ever done by a two-year-old on the Little Rock track. The going was good, but the track would not be considered fast. It was just drying out after the recent rains and although the harrow had been used a time or two, still it was lumpy in places.

"When the fact that the Clinton Park track is soft and naturally a few seconds to the mile slow, the splendid performance of Tennie can be appreciated. About 37 seconds is generally considered good work here a two-year-old.

"The other notable workout was that of Dramburg, and as he is engaged in the Tennessee Derby and other stakes up the line, his work on Saturday is very important to followers of the racing game. With a boy weighing 118 pounds up, Dramburg was let go a mile and he did his work with a hearty good will. At the first three-eighths pole the watches marked 38 seconds. Running easy and without apparent effort, he passed the half in 50½ seconds, and then, settling down to the task before him, he sped by the six furlong mark in 1:16½ and came under the wire in magnificent style in 1:44½.

"He seemed to consider his remarkable performance an easy one and was willing to go further had he been allowed to do so. Dramburg is a magnificent specimen of the race horse and if he has not got the class most of the best judges who have seen him here are badly mistaken. He is a bit fat just now, but if nothing goes amiss he will be ready for the Tennessee Derby.

"Handsqueeze, the great Hanover colt of whom so much has been said, is not doing anything very notable as yet. However, he is progressing tolerably well with the exception of a sore foot, which he developed today. He is limping a little, but his trainer does not think there is anything more serious the matter with the foot than a little soreness.

"Horsemen are generally pretty active in their work out at the track these days. So far there are few horses fit, but most of them are doing well enough. Old Tony Honing looks racy and is perhaps the fittest one here. The mare Delight is also going along fast and looks like she might win early in the season."

NOTES OF THE TURF.

Schorr & Son have sold Meadowthorpe to J. E. Pepper who, it is reported, will retire him to the stud.

Subscriber, Chicago.—The backer of Malay for "place" does not win. The horse was only coupled with Imperious for first place.

NOTES OF THE TURF.

Eddie Jones, who came to St. Louis to ride for
Dr. A. C. Bernays two years ago, and who rode
for Caesar Young at the Fair Grounds last year,
announces his determination to try his luck on
the English turf this year. He will leave San
Francisco for England this week. Eddie never
demonstrated much skill as a race rider at the
local track. Patsy Freeman and Ben Rigby are
also going to England, so it is said. None of
the trio will be missed on this side of the big
pond.—St. Louis Republic.

At Memphis Tuesday morning A. Cahn's Mar-
coni, ch. c. 2, by Charade—Electricity, worked
a sensational half in 49½ seconds easily, step-
ping the first quarter in 23 seconds flat. The
track was by no means fast, and the work was
a good one. W. Overton worked a mile in 1:46½
like a good horse.

Dunn & Davis, owners of Nekarnis, have been
barred from starting their horses during the
remainder of the New Orleans meeting, and
Nekarnis has been suspended indefinitely which
probably means that he will race no more.

Bannockburn is getting along famously and
will surely be seen again on the turf this season.
He is to be shipped in about a month to Wood-
lands, where he will be mated to half a dozen
choice brood mares at that establishment.

Willie Ham and Johnny Lamley have shipped
their cracker, Benneville and Mizpah, from New
Orleans to New York. These two horses ought
to win races on the metropolitan circuit next
season.

Clawson has been engaged to ride Sidney
Lucas in the Crescent City Derby. Vandusen
will have the mount on Florizor and McJoynt
on Prince of Verona.

The famous mare Geraldine died at Adolph
Spreckels stock farm a day or two since from
the effects of foaling, the foal also expiring.

Schorr & Son's horses have been shipped from
San Francisco for New Orleans, where they
should arrive by Saturday.

James Arthur has shipped Andes, Judge
Wardell and the others of his string to Mem-
phis.

F. Reagan has sold the two-year-old filly Miss
Zara, by Belvidere—Zara, to H. T. Jones on
private terms.
